Our latest endodontic motor
with integrated apex locator

£1,795

**OFFER ENDS
31ST MARCH
2025**

Why Choose X-Smart® Pro+?

✔ Specifically designed to drive Dentsply Sirona's endodontic file systems

The X-Smart® Pro+ endo motor has been specifically designed to drive Dentsply Sirona's endodontic file systems in both continuous rotation and reciprocating modes.

✔ Mini-Contra Angle head with integrated 10-Lumen LED

Great visibility and access. Locate and enter root canal with confidence. Easy treatment of patients with limited mouth opening.¹ 360° adjustable position.

✔ User-friendly touchscreen interface

Large, easy-to-clean screen. Easy navigation with gloved hand. Up to 30 customisable file sequences with upgradable firmware. Optional Bluetooth® foot switch.²

✔ Integrated Apex Locator with Dynamic Accuracy™ Technology

Our Dynamic Accuracy™ technology reads the measurement signal accurately while shaping, with auto-reverse function to keep your file on your desired target.

✔ Removable/autoclavable handpiece metal sheath

Supports compliance with infection control guidelines. Reduces waste, making handpiece barrier sleeves obsolete.

✔ Portable and ergonomic design

Battery power to support a full day of work. Portable convenience with the power and functions of a tabletop unit. Drag and drop magnetic holder for enhanced comfort, reduced fatigue.

1. Compared to contra-angles with larger head height
