### Perfection Plus Environmental Commitment

Perfection Plus recognises the importance of sustainability and protecting the environment. We are working with all suppliers to ensure that the manufacturing processes are sustainable, and the environmental impact is as limited as possible.

As part of this commitment, we use recycled materials in our product packaging wherever possible.

Also ensuring that our product packaging is fully recyclable providing that it does not have a detrimental effect on the integrity or quality of the product.

We are currently working towards obtaining external accreditation to ensure we continue to work towards and deliver upon our goals.
